To Quickly Remove Ugly Hairs From Face

(Beauty Notice)

Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is delatone you buy.—Advt.

DETROIT CARS TIED UP. 800 of 8,000 Cars for Strike and Stop Service. DETROIT, April 24.—Street car service in Detroit was stopped this morning as the result of the action of a small proportion of the motormen and conductors in voting last night to suspend work. About 20 of the more than 3,000 car men voted for the strike without the sanction of the union officers and sent out pickets to meet the men reporting for work this morning. The few cars that started out on the day runs were soon returned to the barns. The car men are seeking increases in wages of 12, 14 and 15 cents an hour.

**ROYAL ARCANUM PLEDGES  
LOYALTY TO THE NATION**

Defense of President Wilson's Course With Germany Cheered at Convention for Three Minutes.

A defense of President Wilson's patience with Germany before declaration of war was cheered for three minutes by 1,000 members of the Royal Arcanum of New York State to-day in convention in the Hotel Basset, Brooklyn. Past Regent Roscoe H. Stedman, Council, Brooklyn, was the speaker. He is pastor of the Flatlands Reformed Church.

"Twenty years from now," he said, "the world will applaud President Wilson for his patience in an international crisis. Mr. Wilson waited until it was time for the United States to act. Then he acted in a way that surprised the world. To-day we need a spirit similar to that which existed during the Civil War. The American people are fighting against a nation which would make the entire world slaves. The members of the Royal Arcanum must spread the doctrine of universal brotherhood." John H. Weeks, Supreme Regent of New Jersey, announced that New Jersey is ready to co-operate in every patriotic and fraternal movement. It is probable, Grand Regent Harold C. Linspeck will be re-elected.

**FACTORY FIRE ROUTS 1,000.**

Blaze Threatens Big Printing Plant in Williamsburg.

A three-alarm fire drove about 1,000 employees, half of them women, out of the plant of the United States Printing Company at Third Street and Wythe Avenue, Williamsburg, at 2 o'clock this morning.

An incident took place among some of the women crowding toward fire-escapes was quelled by the police and by male employees. All got out safely.

The fire started in the basement and made rapid progress for a few minutes. The automatic alarm was the first. A second was turned in by the police and Deputy Fire Chief O'Brien sent in a third. At one time it seemed that the building would be destroyed, but the fire was confined to the basement.

**BOYS ABROAD WELL SOCKED**

Hosiery Shipments Barred To Save Tonnage.

WASHINGTON, April 24.—Socks are plentiful in the ranks of the American expeditionary forces that the ban on the parcel post shipments of hosiery from America will be continued, Major Gen. March, Acting Chief of Staff, has advised Senator Weeks of Massachusetts. The shipment of socks to the front would use tonnage space needed for other supplies and therefore must be kept up, Gen. March said.
